KS2

TURN OVER FOR INSTRUCTIONS...

ALLEGRA'S BUMBLING CHATTERBOX

FOLDING INSTRUCTIONS

1 Using scissors, cut out your template.

2 Fold your square, to create a diagonal crease. and repeat on other side.

3 Turn your square over and fold the corners into the middle.

4 Turn your square over and again, fold the corners to meet the center.

5 Fold your square in half. Repeat on other side.

6 Slide your thumb and index finger under the four flaps, and pinch together...

PLAYING INSTRUCTIONS

1. Ask a classmate to choose a bumblebee.
2. Spell out the name whilst moving the chatterbox, eg. T-R-E-E.
3. Ask them to choose a habitat where their nest will be.
4. Count the letters in the food whilst moving the chatterbox.
5. Pick a different food, as your bumblebee will pollinate lots of different flowers in a day!
6. Lift the flap and read out your fact!
