# ALLEGRA'S BUMBLING CHATTERBOX

## FOLDING INSTRUCTIONS

**1** Using scissors, cut out your template.

**2** Fold your square, to create a diagonal crease. and repeat on other side.

**3** Turn your square over and fold the corners into the middle.

**4** Turn your square over and again, fold the corners to meet the center.

**5** Fold your square in half. Repeat on other side.

**6** Slide your thumb and index finger under the four flaps, and pinch together...

## PLAYING INSTRUCTIONS

1. Ask a classmate to choose a bumblebee.
2. Spell out the name whilst moving the chatterbox, eg. T-R-E-E.
3. Ask them to choose a habitat where their nest will be.
4. Count the letters in the food whilst moving the chatterbox.
5. Pick a different food, as your bumblebee will pollinate lots of different flowers in a day!
6. Lift the flap and read out your fact!
